Crisis Escalation Table

Level	Criteria		Accountability	Key Actions To Consider
Incident (Minor)	**Safety**	No loss of life or severe injuries.	Local Incident Management Team	• Incident management team will deal with the situation at the local level and provide notice to the Home Office and funder as necessary. • Situations may include ○ Office break-in ○ Vehicle accident ○ Unconfirmed or isolated threat to personnel ○ General deterioration in security ○ Personnel detained but released after intervention ○ Non-credible bomb threat received
	Financial	Minor loss of assets; asset loss under USD 5,000. Any loss to be charged to ORGANIZATION/COMPANY should be sent to Home Office Finance and project management.		
	Operational	Minor disruptions to business activities lasting for less than 24 hours.		
	Reputational	Unlikely to provoke interest outside immediate stakeholders.		
Emergency (Moderate)	**Safety**	No loss of life (to full-time personnel) or severe injuries to multiple personnel.	Local Incident Management Team	• Activate local IMT • Notify Home Office and remain in daily contact. Ensure Home Office HR, OSP, and Legal are involved in all discussions involving funding, personnel, or insurance matters. • Notify stakeholders and provide regular updates. • Manage at local level but request Home Office or regional support in managing incident as needed (at Project Coordinator, Project Director level to enable personnel to focus on delivering program). • Ensure staff receive regular briefings on the situation. • Situations may include: ○ Vehicle accident that causes injuries to personnel ○ Major fire in facility ○ Extortion attempt received ○ Coup leading to major fighting ○ Major disease outbreak
	Financial	Moderate loss of assets; asset loss between USD 5,000 and 25,000. Any loss to be charged to ORGANIZATION/COMPANY should be sent to Home Office Finance and project management.		

Level	Criteria		Accountability	Key Actions To Consider
	Operational	Some impact on ability to operate in short-term; no medium-term impact on operations expected.		○ Earthquake, flood, or other natural disaster impacting operations ○ Confirmed threat to personnel ○ Extensive worsening in overall security environment ○ Death of expatriate personnel from natural circumstances or death of national personnel from suspicious circumstances (off duty) ○ Notice from government of legal violations by personnel ○ Long-term detention of personnel member ○ Arriving personnel detained at airport and not allowed to enter country ○ Credible bomb threat received / Suspect device found on premises
	Reputational	Limited interest by local community expected; no larger interest from outside immediate stakeholders and community.		
Crisis (Major)	**Safety**	Loss of life or severe injuries to multiple personnel.	Crisis Management Team	• Activate the CMT • Analyze realized or potential organizational impacts resulting from the situation, develop crisis communications messaging, confirm response and recovery priorities, and provide resources necessary to support response and recovery. • Local IMT: Perform immediate security/safety measures, initiate a situation assessment, estimate potential or realized impacts, communicate with the CMT, and initiate mitigation and recovery activities. • Situations may include: ○ Natural disaster ○ Large fire in office causing extensive asset loss ○ Vehicle accident causing death to multiple personnel, including expats ○ Major extortion attempt ○ Kidnapping ○ Major disease outbreak affecting personnel and operations ○ Confirmed, specific threat to personnel from militant groups ○ Evacuation due to worsening security situation ○ Death of expatriate personnel in suspicious circumstances ○ Outbreak of major civil unrest impacting personnel ○ Incident attracting media attention ○ Detention of expatriate personnel for more than 24 hours ○ Demonstration against project outside office ○ Plane crash affecting personnel ○ Confirmed, credible threat to personnel that would require either long-term office closure or evacuation of personnel from country
	Financial	Major loss of assets; asset loss in excess of USD 25,000.		
	Operational	Major loss of or destruction of office space, residence, or vehicles; long-term impact on operations expected.		
	Reputational	Loss of reputation among personnel or funders possible; damage to brand reputation possible.
